

## Weddings at Hickinbotham of Dromana, Mornington Peninsula

Nestled on the hinterlands of the Mornington Peninsula South of Melbourne, lies the winery, brewery and vineyards that make up Hickinbotham of Dromana.

Mintaro is the boutique vineyard restaurant, offering views of Martha Bay and stunning outlooks over vines and woodland meadows. Mintaro provides excellent locally sourced produce on its menu, designed to complement the award winning wines and Hix beers crafted onsite. The rustic nature of the venue lends itself to relaxed and casual fun, but only to appreciate the finer things of life... with the most special people in your life.

Hickinbotham of Dromana

## Weddings at Hickinbotham

At Hickinbotham we offer you choice at every step of your wedding.

Hickinbotham grounds offer 4 unique locations to choose from for an outdoor ceremony, Waterlily Lake, The Rustic Shed, The Terrace and the Pinot Paddock. Each area has its own scenic beauty and will be the perfect backdrop for your beautiful day.

Mintaro and its professional staff can cater from an intimate sit down wedding from 40 to 110 guests, or up to 200 guests for a cocktail style wedding.

The sit down dinner can be either grazing/sharing style menu, or an individually plated alternate drop dinner service.

Or perhaps you would prefer a more relaxed roaming style affair, with amazing food being served to your guests throughout the evening.

You may like to enhance your offerings with the addition of a starter grazing table, or a cheese or dessert table for later on.

The choice is yours!

Mintaro can cater to all dietary considerations and has a special children's menu if required.

The service is designed around a five hour time frame. This can be extended at additional cost.

We provide white linen table cloths, and can assist in the table set up and decorations to your specifications.

We can provide gift table, a cake table and cake knife.

We have ample free parking for all guests, & a number of lovely onsite locations for photos.
